

Zambia Container Project

WHAT IS ELEEO PROJECT?

The word Eleeo (el-eh-eh'-o) in the original Greek means "to act with compassion in word or deed." Eleeo Project was born in late 2010 from a passion to see the Gospel of Jesus Christ transform the lives of every man, woman and child in the remote areas of Southern Zambia, Africa.

Working alongside the local tribal leader, Chieftainess Mwenda, Eleeo Project exists to address the spiritual and physical poverty of the Tonga people through Bibli-

cally based ministries. We believe that God is about to do "Something New" in this area of Zambia!

WHY A SHIPPING CONTAINER?

Eleeo Project is a new ministry in Zambia and is, therefore, in need of specific items for setup. Because Zambia is landlocked and there is very little industry in country, many times it is cheaper to bring these much needed setup items in from the outside. Items that you will see on the reverse side of this brochure will be used in:

- + The development of a ministry centre;
- + Starting clean water and agricultural projects;
- + Outreach & Leadership Training

- + Caring for Widows and Orphans; and

- + Missionary living setup

WHAT HAS GOD ALREADY PROVIDED?

We continue to be encouraged by the Lord's provision for this project. To date, we have received the following:

- + A 40ft shipping container donated by Chapin Baptist Church Combined Sunday School Classes
- + A Free Chasis for the container to sit on while it is being filled (Approx \$4,200 in value)
- + Discounted Transport to Charleston Port (Savings of approximately \$1,500)
- + \$15,000 worth of generators and power tools which will be shipped in this container to Zambia
- + A semi-truck bed full of ministry items such as blankets, shoes, baled clothes, school supplies, etc.
- + Professionally designed banner and road sign for the ministry center in Zambia

HOW CAN YOU HELP?

While we have already received a lot of items to include in this shipping container, we are still in need. We are asking for several items that will help us hit the ground running once we get started in Zambia. A list of these items is located on the back of this brochure. Please take a look and see if there are any items you would like to donate. Information for making donations is located at the bottom on both the front and back side of this brochure.
